Daniel Popescu

Computer Science Student

Bucharest, Bucharest, Romania

Summary

Currently pursuing an Industrial Engineering Degree at the University POLITEHNICA of Bucharest, the goal is to blend this rigorous academic foundation with practical experience.

Experience

Academia de Robotica

Robotics Instructor & IT Support

September 2024 - October 2024 (2 months)

Bucharest, Romania

Taught children aged 3 to 12 how to build and program robots, promoting technology skills.

Provided IT support, including installing Windows and configuring routers for the office.

Eva Staff

Web Development Intern

June 2024 - August 2024 (3 months)

Bucharest, Romania

Developed websites using WordPress, creating efficient and user-friendly designs.

Automated data transfer from SoftManager CRM to Excel and subsequently into WordPress, using a custom Python script, streamlining workflow and improving efficiency.

Education

University POLITEHNICA of Bucharest

Licentiate degree, Industrial Engineering · (October 2022 - July 2026)
